Dear David;

Thank you for your excellent presentations at the Arizona Arthritis Center's *Living Healthy With Arthritis* day on Saturday, March 15th. Several people approached me with such nice compliments about your Humor session. I have attached a summary of the evaluations and some great comments from those attending this session.

As always, it was a pleasure to work with you. Thanks for helping to make this a fun day for folks.

If you have any comments regarding the room, set-up etc. please feel free to contact me, as this information is always helpful when planning future programs.
