

Dear Mr. Jacobson, MSW:

On behalf of the New Mexico Society for Respiratory Care, I would like to thank you for participating in the "winterfest" in Ruidoso. Your lighthearted approach to Health, Healing and Humor was enjoyed by all. Without exception the participants felt your presentation was "GREAT!" Thanks again for supporting our professional organization.

A handwritten signature in black ink that reads "Bill CARPENTER". The signature is written in a cursive style with a large, sweeping initial "B" and the name "CARPENTER" in all caps.
